

SEPTEMBER 27 WESTLIFE

Get ready for a night of powerful ballads as Irish band Westlife return to Hong Kong this autumn. *Westlife The Gravity Tour Live* in Hong Kong will be held on 27 September at the AsiaWorld-Expo.

The Irish quartet of Nicky Byrne, Shane Filan, Mark Feehily and Kian Egan first broke onto the pop scene in 1999 with hit single "Swear It Again". Since then Westlife have been churning out hits including "Flying Without Wings", "Against All Odds", "Uptown Girl" and "World of Our Own". The group continue to gain popularity, break records, sell out tours, win awards and top charts.

Thirteen years, ten albums and 44million record sales later, Westlife launched ground-breaking album *Gravity* last year. The album has a renewed sense of heart, soul, vigour

and pride. The first single "Safe" showcases the awesome emotional weight of an outfit at the height of their powers. Opener "Beautiful Tonight" sweeps and explodes into life with electronic pulses adding to its sense of euphoria. "Chances" is a tender meditation on missed opportunity while "I Get Weak" is a dark descent into despair and "Too Hard To Say Goodbye" a heart-tugging dissection of grief.

October 28 - 30 HONG KONG CRICKET SIXES

The Hong Kong Cricket Sixes are back and will be held at the Kowloon Cricket Club during the weekend of 28-30 October 2011. Organised by the Hong Kong Cricket Association since 1992, the Sixes is the only international cricket event held in Hong Kong and is fully sanctioned by the world's governing body for cricket, the International Cricket Council.

Among the new initiatives to be introduced in 2011 is the expansion of the tournament from its traditional two-day format to a third day of world-class sporting action, with tournament play expanding to the Friday of the event weekend.

The tournament will also be expanded from eight to 12 teams in 2011. The three new teams will be Scotland, Ireland and Bangladesh, while the fourth will be an invitational team

of international cricket legends, modeling the success of the All Star format introduced for the Hong Kong Cricket Sixes in 2007 when the event was a sell out.

The Sixes has grown to be one of the best sports events in Asia. It's a weekend of VIP entertainment in the exclusive and intimate surroundings of the Kowloon Cricket Club. Six-a-side cricket is the quickest, most fun-filled version of the glorious old game – world class players, thrilling matches, huge hits and spectacular catches. The Hong Kong Cricket Sixes is the longest-running, best-established and most high-profile sixes tournament in the world.

The twelve teams competing for this year's trophy will be England, Australia, Sri Lanka, South Africa, New Zealand, India, Hong Kong, Pakistan, Scotland, Ireland, Bangladesh and the All Star team.
